BridgeSpan works hard for you

When you choose BridgeSpan health insurance, you get thoughtfully designed programs and benefits that help you make your health a priority—without a bunch of fuss.

- 

Access to top doctors

BridgeSpan has powerful networks of top providers that care for our members at discounted prices across our service area (Idaho, Oregon, Utah and Washington).
- 

Whole-person health

Take care of your mind and body with preventive care and mental health benefits.
- 

Low- or no-cost virtual care

Connect virtually with a board-certified physician or mental health provider 24/7 at a low copay—or choose one of our plans that cover virtual medical care in full.
- 

Affordable prescriptions

Save on medications with low-cost prescriptions.

- 

Local customer service

When you reach out to BridgeSpan, you'll get friendly, reliable help. No scripts. No time limits. Never outsourced. Just compassionate people who go above and beyond to help you.
- 

Coverage where you need it

Many of our plans offer access to in-network providers in much of Utah, Idaho and Washington, and across Oregon.
- 

Behavioral health support

Mental health is important too. That's why BridgeSpan health plans give you a range of options, like virtual therapy and personalized care management. We make support simpler and more accessible—so you can get the right level of care at the right time.

- 

Tools to help you manage your health

Find a new doctor, check your deductible, review your claims and more. You can even chat with us when you have a question. Best of all, your tools are all personalized to you based on your benefits.
- 

Members-only discounts

Get discounts on many health and wellness products, vision care, hearing aids, fitness devices, gym memberships, pet care and more.
- 

Care management

If you have a difficult medical situation, our experienced care managers are here to give you the one-on-one support you need. They'll help you navigate the health care system and answer all your questions.
- 

Low-cost prescriptions, covered preventive care

Get access to affordable prescriptions at any of our participating pharmacies. Also, in-network annual wellness visits, vaccinations, women's reproductive health, diagnostic screenings and more are covered at no additional cost to you.

Choosing a plan: FAQ

Which metal level is right for me?

Gold plans are a good option if you expect to need a lot more than preventive care over the course of the year. On the opposite end, Bronze plans are a good fit if you're generally healthy and don't often need care. Silver plans strike a balance between premium and out-of-pocket cost and may qualify for cost-sharing savings if you're eligible.

Bronze level

This option offers a lighter premium and heavier out-of-pocket costs.
